Dear Sirs/Madam,

**Re: Merger by absorption of Keyhouse Holdings Limited and Keyhouse Computing Limited by Dye & Durham (Ireland) Limited (the "Merger")**

We are pleased to announce our forthcoming merger with our subsidiaries Keyhouse Holdings Limited and Keyhouse Computing Limited. The Merger is scheduled to take place officially on 1 October 2023 and thereafter we will operate as Dye & Durham (Ireland) Limited (the "Successor Firm").

We have been working hard to bring our businesses in the Republic of Ireland together, allowing us to offer you a single access point for all your ancillary legal software, searches and town agency services.

We decided to seek to grow our practice through a merger because we believe that a larger organisation will allow us to provide a wider array of services and more depth. As you know, in our area of the country finding and retaining excellent people is a constant challenge. A larger organisation will also mean our associates will benefit from even more and stronger career opportunities.

There are many new services and areas of expertise we will be able to provide you in the future. We look forward to discussing those in more depth with you. However, there are several things we want to point out that will not change:

You will continue to work with the same people in our firm you have in the past. All our people are being retained in their current roles. The services we have provided you in the past will continue with required changes to the layout and how we refer to ourselves on our reports and financial documents.

We will continue to operate from our current offices. All the contact information for us will remain the same except our e-mail addresses will change in the coming months. The convention for those addresses is [first name].[last name][@dyedurham.com](mailto:info@dyedurham.com).

If you have any questions about this exciting news and what it will mean for you, please contact any of us at any time. We look forward to introducing you to our new partners.

We are grateful to you not only for giving us the opportunity to provide you with software and services but for your loyalty and friendship, which have enriched our relationship. We are confident that our new affiliation will serve us all well.
